

Absence

Speak with Us!

- Is anyone missing?
- Is everybody here?
- No one is absent today?
- Who is missing today?
- Let's all count to see if everyone is here.
Remember to answer «I'm here!»
- Tom won't be here this week, he's on holiday with his parents
- Susan is not here today, because she is sick.
- So, everyone is here except...
- So, only children are out today
