Speak with Us! - Kindergarten

Å introdusere barna for engelsk i barnehagen er med på å utvikle barnas språklige bevissthet. Dette har vist seg å ha god effekt på utvikling av lese- og skriveferdigheter. Barn som fra tidlig alder forholder seg til flere språk utvikler ofte evnen til å sammenligne språk.

Fremmedspråksenteret har laget ressursen «Speak with us! –Kindergarten», som består av 9 kort som tar for seg overgangssituasjonene i barnehagen. Her gir vi deg idéer til ord og setninger på engelsk som kan passe i disse overgangssituasjonene.

Interessen for språk er stor hos yngre barn. De er mottakelige for å lytte, herme og leke med språket. Det gjelder å ta vare på denne iverksomheten som barna har i møte med nye språk. Med rik støtte i bilder og kroppsspråk og med mange gjentakelser kan barna lære mye engelsk mens de er opptatt av innholdet i det de hører.
