

Task sheet 1 - Timeline of Trevor's Life & Modern Day South Africa

Task:

For this task you will make **one** timeline of Trevor's life together with facts about South Africa. The timeline will range from when Trevor was born to the present day.

The Process:

Using digital search engines, find out things that have happened in South Africa from when Trevor was born to the present day.

Write directly onto the timeline.

You can write on your timeline in words or pictures.

Look for anything that is interesting about South Africa and write it on your timeline.

As you read the book you can add things onto the timeline that happened to Trevor, building a picture of his life and South Africa at that time.

Your final product will be a timeline telling two stories - South Africa and Trevor Noah.
