

Task sheet 2 - Working with specific rights - making a poster

The task:

In groups you will make a multi-modal poster showing your groups' three human rights. You will show the rights through pictures that explain each right without using any words.

Step 1 - Use the internet to find out as much as you can about the rights you have been given.

Step 2 - Within the group plan your poster so others can understand the rights shown.

Step 3 – Put your creative ideas together to make your poster.
