

Task Sheet 2 - A New Country

Task: Create and design a new country

Time: 3-4 weeks

The task:

This task gives you the freedom to create your own country. You have to include all of the points below, and everyone in your group must agree on the final outcome. The final product is a giant poster showing your new country. At the end of the task the class will go on a Gallery Tour. Here you will show your hard work to the rest of the class. This is your chance to shine and feel proud of your research and collaboration. The other students will ask you questions about your country and then write what they liked about your work. You will also write a self-assessment.

Your country presentation has to include:

- Country Name - Give a name to your country.
- Capital City - What will the capital city be called?
- Country Flag - Create a flag (be creative with the colour, design, and symbols)
- National Flower/Vegetable - Which flower/vegetable will you choose?
- Geography - Where in the world is your country? Draw a map highlighting rivers, mountains, cities etc. Give details andg population numbers, languages people speak.
- National Song - Write a short song that reflects your country.
- Country Rules - Make 10 rules for your country.
- National Costume – What does your national costume look like?
- National Dish – What is the national dish for your country?
