

RESSURSARK – LYTTEMATERIELL - ENGELSK

Tittel: Copenhagen Summit (2010) – Engelsk Vg2

Kort beskrivelse:

In February 2010, Susan is talking to Bob and Richard about the conference on global warming that was held in Copenhagen in December 2009. First she lets Bob and Richard listen to what three people had to say about their expectations for the conference before it was held, and then Bob and Richard discuss those views bearing in mind what happened at Copenhagen. Susan then asks them to listen to what three other people had to say about the summit before it was held and then Bob and Richard again give their reactions.

Oppgaver for refleksjon/diskusjon/samtale

1. What were the hopes and expectations people had prior to the Copenhagen Summit?
2. What were the results?
3. What do Bob and Richard suggest you can do on an individual level to help control climate change? What do you think?
4. What do you think Norway can do?
