

Salmon Fishing in the Yemen

Summary

A quirky, charming and gentle romantic comedy that follows the journey of fisheries expert Dr. Alfred Jones on his quest to help a rich sheikh realise his dream of salmon fishing in the Yemen.

Initially, Dr. Jones is a reluctant counterpart in the project, but is gradually won over by Sheikh Mohammed, the British Prime Minister's Press secretary, Patricia, who needs a 'good will' story from the middle east and lastly the Sheikh's consultant Harriet.

The four of them embark on a journey of fish, faith and yet more fish.
