

Worksheet 1: Work Ethics

Look at the video clips from «TV2 Hjelper deg» and “Cowboy builders” and the vocabulary list, which is meant to be expanded by you. Then answer the questions on work ethics.

Vocabulary (a list to be expanded)

One-man business	enkeltmannsforetak		query	stille spørsmål om
Craftsmen	håndverkere			
Skilled worker	fagarbeider			
Cowboy builders	useriøse håndverkere			
renovate	renovere/pusse opp			
ethical	etisk			
community	felleskap/samfunn			
responsible	ansvarlig			

1. a. Think – pair - share

Tv2 hjelper deg	1.	What kind of company was it that had taken on the task of renovating the house in the second episode?
	2.	Why had the family paid the company almost 400 000,- up front?
	3.	How is it possible for craftsmen to speculate with and make money on this type of enterprise/company?

Share your answers with a mate and next, the two of you share your answers with another pair. Fill in new information.

1. b. Watch the video. Find answers to the questions, work in pairs.

Cowboy builders in UK	1.	Describe the condition of this house several months after the builders left.
	2.	How much money had this family paid up front? How could this happen?
	3.	How did the family live under these conditions? What did this do to their lives?
	4.	Why didn't the builder complete the job?

Self-evaluation

	1 Not so well	2	3	4 Very well
How well did you understand the message in the video from TV2 hjelper deg?				
How well did you understand the message in the video from Cowboy builders?				
How well did you contribute when working in pairs?				
What did you learn from this so far? (-> 30 words)				
Did you add new words to the vocabulary list?
