

Worksheet 2.

Reflections - Ethical Questions

1. Which ethical challenges do these two video clips represent?

2. Do you understand the mind-set and the thinking of the craftsmen and companies involved in these cases?

Would you ever be tempted to make unethical choices to make a quick buck? Explain.

3. How can incidents like these two affect the reputation in the building and constructing field of business?

4. As a future carpenter, how can you make sure your business and your work does not end up on a future episode of “TV2 hjælper deg”?
