

Pieces of April: whilst-watching film activities

Characters: Use the form below to help you record various personality-traits, mannerisms and things said by the various characters. In addition, try and note down any keywords/clues that describe their relationship with the other characters in the film?

As you are watching the film, think about these points: How do the characters develop throughout the film? Is there a gradual or sudden change/development in any of the characters? How do the various relationships change throughout the film?

Character	Personality Can note down physical appearance too	Relationships
