

***TASK - A personal letter from person A to person B in "The Help"***

*Write a letter from one character in the film to another character in the film. Here are some examples:*

- *Imagine that Skeeter gets a letter from Constantine five years after she (Skeeter) moves to New York. The letter was found by Constantine's daughter as she went through her mother's belongings (a letter Constantine wrote to Skeeter before she died). Write the letter!*
- *As Mae Mobley turns 18, she writes a letter to Aibileen. She's been missing Aibileen a lot since she got fired. Aibileen was like a mother to her. How has Mae Mobley's life been like since Aibileen left? Is she happy? Angry? Bitter? Write the letter!*
- *Many years later Stuart regrets that he broke up with Skeeter. He feels that society had the power over him. Now he's been living other places, and sees things in another perspective. He wants Skeeter back. Write the letter!*
- *After publishing the book, Aibileen writes a letter to Treelore (even though he died many years ago). She leaves the letter by Treelore's gravestone. She's learned many things through working with Skeeter, and the family finally has a writer. Write the letter!*
- *Celia never gets kids, but after everything she learns in the kitchen from Minny, she manages to start her own café downtown (she also gets a driver's license!). One day she writes a letter to Minny (who actually manages to get a job somewhere else). Write the letter!*
- *Other Ideas? Write a letter!*
